

GOH ZHONG XUEN

Diploma Student in Information Technology (Software Engineering Specialism)

Selangor, Malaysia | +6010-7722 127 | gohzx2006@gmail.com

PROFILE SUMMARY

- Motivated diploma student in IT (Software Engineering) with hands-on experience in full-stack development, UI/UX design, and database management.
- Proficient in Python, Java, PHP, TypeScript, HTML/CSS, and SQL; experienced with tools such as Figma, Supabase, Botpress, and Cisco Packet Tracer.
- Demonstrated ability to build complete software projects from requirements through deployment using both code-first and low-code approaches.
- Strong communicator fluent in English and Chinese, with basic Malay; proven ability to work in teams and independently.
- Seeking IT internship opportunities to apply technical skills and gain industry experience.

TECHNICAL SKILLS & TOOLS

Technical Skills

- Languages: Python, Java, TypeScript, PHP, HTML, CSS, JavaScript, SQL
- Frameworks / Tools: Supabase, Botpress, Joget (LowCode), Figma, Canva
- Databases: SQL (basic), text-file databases; experience with virtual machines
- Networking: Cisco Packet Tracer (basic network simulation)
- Digital Forensics: Autopsy, Volatility Workbench, FTK Imager
- Version Control & Dev: Basic DevOps concepts; GitHub
- Productivity: Microsoft Office Suite (Word, Excel, PowerPoint), Microsoft Teams

Soft Skills

- Problem Solving & Analytical Thinking
- Teamwork & Cross-functional Collaboration
- Time Management & Self-directed Learning
- Communication (English – Fluent, Chinese – Fluent, Malay – Basic)
- Attention to Detail & Academic Research
- Customer Service & Public Relations

ACADEMIC PROJECTS

JobNow – Job Listing App — TypeScript, Supabase

- Capstone project; a full-stack job listing application with a cloud-hosted Supabase backend. Implemented real-time data queries, user authentication, and a responsive UI.

Advanced Tutorial Centre System — Java, OOP, File I/O

- Desktop application for managing tutorial centre operations using Java OOP principles and text-file persistence (no external DB).

EcoQuest – Environmental Awareness Web App — *PHP, HTML, JavaScript*

- Web application promoting eco-friendly habits; built with PHP back-end, text-file database, and dynamic front-end interactions.

Education Management System — *Python, File I/O*

- CLI-based system for managing student records and courses in Python, with text-file storage and menu-driven navigation.

Travel Expertise AI Chatbot — *Botpress Platform*

- Conversational AI travel assistant built on the Botpress platform; designed dialogue flows, intent recognition, and entity extraction.

WORK EXPERIENCE

Part-Time Tuition Teacher | Independent / Private

2024 – Present

- Deliver lessons in Malay, Chinese, and English to students of varying levels.
- Develop lesson plans and adapt teaching materials to individual learning needs.
- Track student progress and provide feedback to parents.
- Built communication, patience, and presentation skills through regular teaching.

Pharmacy Assistant (Part-Time) | Family Pharmacy, Selangor

Prior to 2024

- Assisted customers with product inquiries and provided basic guidance.
- Managed shelf restocking and inventory organisation.
- Supported cashier operations and daily administrative tasks.
- Developed customer service, communication, and teamwork skills.

EDUCATION

Diploma in Information & Communication Technology — Specialism in Software Engineering

Asia Pacific University (APU), Kuala Lumpur

July 2024 – Present (Expected Graduation: 2027)

- Coursework: Foundational programming, UI/UX design, computer architecture, networking, database management, and software engineering principles.

Sijil Pelajaran Malaysia (SPM)

Kuen Cheng High School (坤成中学)

Completed: 2023 | 11 Subjects: 5A's, 5B's, 1C+

- Distinctions in: English (A+), Mathematics (A+), Additional Mathematics (A–), Physics (A–), Moral (A).

ADDITIONAL INFORMATION

- Languages: English (Fluent), Chinese (Fluent / Native), Malay (Basic)
- Interests: Software development, UI/UX design, cybersecurity, AI & emerging technologies
- Availability: Open to full-time internship placements
